

Camp Restore Detroit

Restoring Hope

Camp Restore Detroit is a nonprofit ministry restoring hope on the eastside of Detroit. We partner community leader with volunteers, both local and from across the United States, on service projects in Detroit's 9th Precinct. Volunteers provide hands and feet to projects planned and led by our community, sharing the love of Christ and restoring hope through their actions. If you would like to serve with us, please contact us at detroit@camprestore.org or 586-764-2285.

Are you looking for a way to serve locally in Detroit? Join us at Camp Restore Detroit as we partner with our community to restore hope! Whatever skills, abilities, or limitations you have, we have a project for you! No volunteer is too old or too young! Add your hands and feet to projects led by our community and share Christ's love through your service! If you would like to serve with us, please contact us at detroit@camprestore.org or 586-764-2285.
